Curriculum Vitae

David N. Tavares

- 1992 GlobeStar Systems Inc. – established and based originally in Calgary, Alberta – this software development company’s prime target was to develop voice mail integrations for telephone systems. Known then under its OEM names of Easytouch and Maxivox, Connexall has developed to become a leading-edge workflow solution.

Today, Globestar Systems’ flagship product, Connexall, leads the world in enabling Information Immediacy for healthcare, retail and hospitality organizations, as well as campus environments. Connexall has been adopted by many leading hospitals, including Johns Hopkins, Alexandra Hospital (Singapore), Central Hospital of Lisbon (Portugal), as well as Disney Cancer Center (Burbank, California), the Oklahoma Heart Hospital, Mount Sinai Hospital (New York), Trillium Health Centre (Mississauga, Ontario), Alberta Health, and many, many more – visit: www.connexall.com

- 2000 Tel-e Technologies Distribution of Canada – a telecommunications distribution company with centers across Canada and 240 partners coast to coast.

Tel-e Technologies’ goal is to become the market maker and architect in the Canadian converged data, voice and wireless networking market. Tel-e Technologies has assisted its Value Added Resellers to move forward in every aspect of their customers’ business to deliver the most advanced data, voice and wireless solutions. Some of our strongest partners include Bell Canada, Telus and Bell Aliant – visit: www.tel-e-technologies.com
